

Giving Thanks

1 Thessalonians 1:2

We always thank God for all of you, mentioning you in our prayers.

1 Thessalonians 5:16-18

Be joyful always; pray continually; give thanks in all circumstances, for this is God's will for you in Christ Jesus.

Hebrews 12:28

Therefore, since we are receiving a kingdom that cannot be shaken, let us be thankful, and so worship God acceptably with reverence and awe.

As the U.S. Thanksgiving Day approaches we are reminded to count our blessings and return thanks to the One from whom all blessings flow.

This has been a very busy and difficult year, yet as we look back we see the hand of God clearly. We can certainly say that "We always thank God for all of you!" The support we receive from you, in prayer, notes of encouragement, practical and financial, are all such a blessing.

We are reminded that though things often seem bleak, God's Kingdom cannot be shaken, and furthermore, His will WILL be done! He is not willing that any should perish. We take that at face value here, and apply it to each of the young women in our care. God desires to see them turn to him and be saved!

We have seen an outpouring of love among God's people for the young women at Bolintin Deal. This year has been a year of renovation and development of the facilities. Many Christians have either come to Romania, or labored at home on our behalf to provide in this area. We are so very thankful for each and every one of you.

As the U.S. Thanksgiving Day approaches we are hopeful that you will all take time to thank God for the blessings in your life.

A Way to Share in Romania

Would you like to share with the young women of Jubilee this Thanksgiving?

There is a tremendous need right now for the food budget. Our last two months of incoming financial gifts have been the lowest in over a year (less than 30% of the cost of operations). As a result we have been unable to pay a number of our bills and are in jeopardy of not being able to provide a continued supply of food this month and next.

Would you perhaps consider helping to provide this basic need this month?

A Way to Share at Home

During this time of year, most homeless shelters receive a large portion of their supplies and support for the year.

With the global economic downturn, there are more homeless and less donations. Perhaps you could lookup your local Rescue Mission and take a bag of groceries to them. It is often the simplest things like shampoo, washcloths, and paper products that are needed. If you call them they will probably be able to give some guidance as to exactly what they could most use.

This is an easy way for most people to engage in helping the poor in their communities. Be a beacon of light!
