

O give thanks unto the God of heaven: for his mercy endureth for ever (Psalm 136:26)

The effectual fervent prayer of a righteous man availeth much! Thank you for your prayers and gifts to this work. It is encouraging and exciting to see the Lord moving among His people to provide for the needs of this ministry. In just 12 weeks, the Lord saw to it that the full need was met for the heat and hot water situation at the Girls Home in Bolintin.

As of November 12, three days ahead of schedule, there is a complete and new central heating and hot water system (*partially pictured above*) installed throughout the building. As of December 12th, the system is fully operational. This is the first time in over 2 1/2 years that the Home has had stable heat and hot water. In addition the Lord has provided for total replacement of all windows and doors on all three floors of the building and complete renovation and refurbishing of the dining room!!

The girls are ecstatic!! They first were spreading rumors that we were preparing the Home for sale but were soon alleviated of their fears and assured them it was all being done for their benefit. After the installation was completed, the girls, the work team, and the contractors all gathered in the new dining room for a festive occasion. Guests from Ireland dropped in in the midst of the dinner and they rejoiced with us on the "new look" and improvements being made. They have indicated possibly support for an entire interior renovation of the Home next August.

A Personal Note of Thanks

Since the release of the new website we have surely seen and increase in interest in the work being done in Romania. We are seeing an increase in website visits of around 50% since the site went live!! This is extraordinary!

To a great measure this is due to the design of the site and the newsletter. The layout is easy on the eyes and quickly directs users to pertinent information. A special word of thanks to Trevor Feight, the designer, for his work to create the design for the site. In the US, Trevor is a top marketing professional, having worked on some of the largest corporate designs for names you'd recognize quite readily. Yet, when the task of building a new site was undertaken and Jonathan Schwarz mentioned it to Trevor, he responded quickly. In many websites like this one, there is a programming side and a design side, Trevor saw to it that we ended up with the right design. He saw a

Pray for the Girls

Pray that the Lord would reach these girls with the light of the Gospel, changing their lives forever.

need and an opportunity to serve the God he loves. It has been a tremendous encouragement to see the Lord working in the hearts of His people to support His work in this ministry!

Perhaps the Lord is stirring your heart as well. Perhaps there is some way that you also might be able to serve the Lord. Please pray - pray for the ministry itself, but also that the Lord might let you know if He is moving you to be involved in some further manner in His work in Romania.
